

**Kim Mylenek, COTA**  
Occupational Therapist  
Assistant

## Education

Baker College

Certified Occupational Therapy Assistant

## Specialty Interests

Pediatrics and Geriatrics

I wish to strengthen my skills as a clinician in orthopedic, neurological, and aquatic therapy.

## Personal Facts

My passion is my two wonderful children, Maverick and Mackenna, and I spend as much time as possible with them playing games, reading stories, frolicking outside, doing any and everything together. I enjoy golfing, cooking, and scrapbooking in my free time.

## Thought To Live By

Life is simply too short, but shouldn't be spent worrying about counting the years or the number of breaths you take... the focus instead should be on making those years count, counting each and every moment that takes your breath away.
