

Jeraca Gouveia
Office Manager

Education

Central Michigan University
Bachelor of Science
Meteorology &
Mathematics

Specialty Interests

Weather! I like to be able to explain why it changes and what will happen. I love being active, cooking, playing with my dogs, and spending time with my friends and family.

I love instructing a variety of our group exercise classes here at Generation Care.

Thought To Live By

Weather is a great metaphor for life - sometimes it's good, sometimes it's bad, and there's nothing much you can do about it but carry an umbrella.
